

Camp Boggy Creek

A member of The Association of Hole in the Wall Camps

The mission of Camp Boggy Creek is to enrich the lives of children who have serious illnesses by creating camping experiences that are memorable, exciting, fun, empowering, physically safe and medically sound. At Camp Boggy Creek we offer week long summer camping experiences to children with chronic or life threatening illnesses and weekend camping programs for the children and their families. The camp, which is located 30 minutes north of Orlando, Florida, is currently seeking:

Medical Director: This position will manage our medical program as well as provide awareness about Camp Boggy Creek throughout the medical community to recruit campers and volunteer medical staff. Primary responsibilities include oversight and management of the medical component of the camp including: compliance with medical policies/standards/regulations (internal and external), budget management, recruitment and management of medical volunteers, establishing hospital/medical relationships to secure medical staff volunteers, supplies and services. This full time position requires weekend and overnight on-call rotations and some regional travel within Florida. The ideal candidate will be highly motivated, with strong organizational, interpersonal and communication skills, creative and possess a passion for children's programs and our mission. Qualified MD's with a minimum of 5 years clinical pediatric experience are encouraged to apply.
