

- 1** For the first time I was accepted just as I am. 
- 2** There aren't words to explain the joy of seeing your child laugh a deep belly laugh when the sound has been missing from him for months. 
- 3** Before Boggy Creek I had been going through chemo and feeling bad inside. Boggy took my mind off hurting. 
- 4** At Boggy Creek I made many friends who are just like me! 
- 5** Boggy Creek isn't just a place where I have fun, but where I was just Madison, not Madison-cancer fighter. 
- 6** Thank you Boggy for showing my daughter that her disease doesn't define who she is today or will be tomorrow. 
- 7** Boggy Creek gave our son his joy back...and a little bit of his innocence. 
- 8** For the first time in her life, she experienced what it is like NOT to be the one that is different. 
- 9** I went to Boggy not knowing what I would find and left wanting to stay there forever. 
- 10** Boggy Creek helps heal the scars on the inside that no one else can see. 

Please consider making a donation to help more children experience a life-changing moment!
