

CAMP BoggY CREEK

# TRIBUTES from the Heart

# TRIBUTES

---

## *from the Heart*

Every year, we celebrate and remember family members and friends who hold a special place in our hearts. Tribute and Memorial gifts provide a unique way for people to acknowledge loved ones and others who had an impact on their lives. At Camp Boggy Creek, we are grateful for every donation we receive to further our mission and provide a safe and medically-sound place where children with serious illnesses can be children. Because of the generosity of people, such of these listed in this publication, we are able to offer our camps to families free of charge.

We are especially touched by those who make a gift "from the heart" in honor, celebration, or memory of family members and friends to show their love and respect. Throughout the next few pages, we have highlighted these special tribute gifts received from May 1, 2022 to April 30, 2023.

Celebrated through gifts in their honor or memory, the exceptional people listed in this publication have made a lasting impact on the lives they have touched.

 *Thank you!*

# Leaving a Legacy

## Dr. Susan E. Griffis

We were saddened to hear of the passing of one of our greatest cheerleaders, Dr. Susan E. Griffis. Dr. Sue, as she was affectionately called, passed away on October 28, 2021 and is dearly missed by her friends and colleagues at Camp Boggy Creek.

With an undeniable love for children, Dr. Sue enjoyed a successful career as a pediatric doctor. She first came to Camp as a medical volunteer and was ultimately named Camp Boggy Creek's Medical Director in 2003, a position she held until her retirement eight years later.

Dr. Sue loved Camp and continued to give her time and volunteer at Camp for many years after her retirement. She was also a faithful donor to Camp and believed strongly in giving back and making a difference. She was one of the first Charter Members to the Schwarzkopf Society, regularly making cash gifts to Camp throughout the years. Reflective of her giving nature, she still felt as if she could do more. Dr. Sue was also one of our first members to Camp's Legacy Circle, informing Camp that she included Camp Boggy Creek as a beneficiary in her estate plan in 2009.

Away from Camp, Dr. Sue cherished her two dogs and loved being outdoors, especially out on the water. An avid sailor, she had a special boat built specifically to suit her needs; she took nautical classes, received her captain's license, and traveled up, down, and around the coast of Florida. Learning of all of her adventures was always a highlight of the day. She also had a great passion for bicycling, was an endurance rider, and rode her bike right up until her final days. She loved to travel to other countries and ride her bike throughout the many beautiful countryside towns and villages.

Dr. Sue knew that giving back to Camp Boggy Creek through her estate plan would be a wonderful way to leave her legacy. Her bequest to Camp Boggy Creek was very generous and her thoughtful gift will help to sustain Camp and ensure that children with serious illnesses are able to forget their everyday challenges for a little while and just enjoy being a kid. Thanks to Dr. Sue and all of our Legacy Circle members, children who attend Camp will continue to have a fun, safe place to experience all the joy, laughter, friendships, and make memories that will stay with them for a lifetime.

Thank you for leaving your impactful legacy Dr. Sue!

## OUR MISSION

To foster a spirit of joy by creating a free, safe, and medically sound camp environment that enriches the lives of children with serious illnesses and their families.
