Programs at Camp Boggy Creek include week long summer sessions as well as family retreat weekends and each includes full medical coverage with on-site professionals in the illness specialty being served. Each group has set dates to attend.

### When and where to find applications:

#### When applications are available:

- Summer(camper only)- January 1<sup>st</sup>
- Family Retreat, Fall / Winter- July 15<sup>th</sup>
- Family Retreat, Winter/ Spring- November 15<sup>th</sup>

Camper with the diagnosis ages are 7 through the age of 16. This is both developmentally and chronologically.

Click on 'Campers' when the drop box comes open click on 'Camper Application'

- In step 1, click on 'Online Application'
- If you have an account or if **your child has been before** but are unsure of your log in information, click on 'forgot log in information'. If you are using the same email that we were given, the system will look you up by that email.
- If this is **your first time** applying you will create an account.
- To create an account
  - Add in Parent contact information first
  - Once you complete Parent / Guardian information you will see above your name '**Add person to this account**' click on this
  - Now enter the child with the diagnosis and the rest of the family members (*Grandparents are welcome to join you for the Family Retreats but please do not include aunts, uncles, or cousins or siblings that have their own family, even if they live with you*)
  - If applying for summer camp you will make an individual reservation under the camper's name. If applying for the family retreat select small group
  - Select the session with your Childs diagnosis
  - Just a few pages away from being done. The last page of the application is the electronic consent signature. After you do this the application will automatically come to us. You will receive an email letting you know application has been received. **Attached to that email** will be the medical forms that your child's specialist is to complete. Don't forget to request a copy

of the most recent office notes from your child's specialist. It is your responsibility to be sure all requested medical information has been turned into Camp Boggy Creek.

Once we receive the medial portion of the application we can start the review process.

**We do not select on a first come first serve basis.**

**Summer applicants will be notified on their status as follows:**

- Weeks 1 and 2, April 10<sup>th</sup>
- Weeks 3 and 4, April 17<sup>th</sup>
- Weeks 5 and 6, May 8<sup>th</sup>
- Weeks 7 and 8, May 15<sup>th</sup>

**Family Retreat applicants will be notified on their status**

- One month prior to the retreat start date

**[To fill out an application online, click here.](#)**

For those without computer access, please contact us directly so we can mail you the application.
