

Camp Boggy Creek Update - Coronavirus (COVID-19)

Given the recent development with the Coronavirus (COVID-19), we wanted to let you know that our Board of Directors and Camp Leadership, like each of you, are closely monitoring the situation and staying abreast of updates and guidelines provided by Federal, State and local authorities, including the [Centers for Disease Control and Prevention \(CDC\)](#) and others. In addition, the American Camp Association and the SeriousFun Children's Network of Camps have been proactive to provide updated information and serve as a resource to us as well as others in the Camping community.

As always, our number one priority is the health and safety of our campers, our volunteers and staff. Given these considerations, we have implemented preventative measures at Camp and have cancelled our Family Retreat Weekend Programs scheduled for: March 20 -22, March 27-29 and April 3-5. We have also postponed all tours, visitor/volunteer gatherings and events at Camp through April 23rd.

Moving forward, circumstances may change rapidly and we will continue to make organizational decisions that are in the best interest of everyone involved with Camp. As the situation with COVID-19 continues to unfold and develop, we will provide further updates regarding any adjustments with our Camp Programs.

To everyone in our Camp Family, we appreciate your understanding and patience during this challenging situation. We extend well wishes to you, your families and everyone in the communities where you live.
