Questions to think about; there are no right or wrong answers!
1. Why are the little candy bars called “fun size”? Would it not be more fun to eat a big candy bar?
2. If your shirt isn’t tucked into your pants, does that mean your pants are tucked into your shirt?
3. What is a picture of a thousand words worth?

Cabin chats are a way to share our experiences and build a sense of connection with others. We encourage you to talk about your responses with someone you are living with, or call a friend to discuss.

Here are a couple of things to remember for cabin chats: 1. Some people might not want their answers shared with other people outside the cabin chat. Be mindful of what you’re sharing. 2. Please give appropriate responses to what others are sharing. Only laugh if something is intended to be funny. We want to respect our Cabin Chat buddies.

1. What is your favorite movie, and why?
2. If you had a flashlight that could shine anywhere in the world who would you shine your light on?
Stars in the Sky

Chorus:
Stars in the sky, stars in the sky
Bring the summer right back to me
Tell me you'll try, tell me you'll try
To think about me whenever you see those Stars in the sky

It’s just a letter from a friend of mine
A little picture from another time
A little picture of a place that we used to go
A word or two about a friend we miss
A fond reminder of a promised kiss
A fond reminder of a vow we made long ago

Chorus

We went away when we were very young
To find the person that we would become
To find the person that was hidden somewhere inside
What we discovered there it still holds true
The friends you make become a part of you
The friends you made will each return to you like the tide

Chorus

And if by chance you should be going there
Please take this message that I hope you’ll share
Please take this message to the ones too young to have learned
The time is short and there’s much to do
Don’t waste a moment of what’s given to you
Don’t waste a moment ‘cause you’ll never see it returned

Chorus
