

September 10, 2020

Dear Camp Boggy Creek Family,

Every year, the end of summer is a time of reflection and celebration for our campers, volunteers and staff. Although the past months have not been like any we have ever known, we continued our tradition of enriching the lives of children with serious illnesses via our inaugural program, **Camp Boggy Creek - Beyond the Gates**.

Since June 1st, over 500 camper families stayed connected and participated in campfires, theater day, silly Olympics, sing-alongs and many more of their favorite camp activities. Our campers and their family members laughed together shared Camp stories, and celebrated friendship and kindness.

We are excited to share that we will provide our Beyond the Gates Program throughout the Fall season! Keeping the health and safety of campers and their families and everyone involved at Camp is a top priority. After thoughtful consideration with our leadership team and review of current Federal and State Health and Safety Guidelines to control the spread of COVID-19, we will continue to offer our traditional Family Retreat Weekends in a meaningful virtual format.

Campers and their family members may register for weekend programs, experience fun, and supportive opportunities during the months of September, October and November. Our program and medical teams are eager to share some new adventures as well as some familiar Boggy Creek weekend activities!

The past weeks have reminded us all; that Camp isn't simply a place...it's a feeling that extends well beyond our gates. The Boggy Creek spirit ***creates a powerful sense of community that represents hope, courage and strength.***

We remain steadfast in our commitment to serve children with serious illnesses and their families. The miles may separate us for now but the friendships and memories of Camp will keep us connected and strong!

Thank you for your continued confidence, support, and belief in our mission. Wishing you, your family and your loved ones continued good health and well-being.

With appreciation,

June Clark
President / CEO
